

§ 83.4

procedures established by these regulations.

(c) Associations, organizations, corporations or groups of any character that have been formed in recent times may not be acknowledged under these regulations. The fact that a group that meets the criteria in § 83.7 (a) through (g) has recently incorporated or otherwise formalized its existing autonomous political process will be viewed as a change in form and have no bearing on the Assistant Secretary's final decision.

(d) Splinter groups, political factions, communities or groups of any character that separate from the main body of a currently acknowledged tribe may not be acknowledged under these regulations. However, groups that can establish clearly that they have functioned throughout history until the present as an autonomous tribal entity may be acknowledged under this part, even though they have been regarded by some as part of or have been associated in some manner with an acknowledged North American Indian tribe.

(e) Further, groups which are, or the members of which are, subject to congressional legislation terminating or forbidding the Federal relationship may not be acknowledged under this part.

(f) Finally, groups that previously petitioned and were denied Federal acknowledgment under these regulations or under previous regulations in part 83 of this title, may not be acknowledged under these regulations. This includes reorganized or reconstituted petitioners previously denied, or splinter groups, spin-offs, or component groups of any type that were once part of petitioners previously denied.

(g) Indian groups whose documented petitions are under active consideration at the effective date of these revised regulations may choose to complete their petitioning process either under these regulations or under the previous acknowledgment regulations in part 83 of this title. This choice must be made by April 26, 1994. This option shall apply to any petition for which a determination is not final and effective. Such petitioners may request a suspension of consideration under § 83.10(g) of not more than 180 days in

order to provide additional information or argument.

§ 83.4 Filing a letter of intent.

(a) Any Indian group in the continental United States that believes it should be acknowledged as an Indian tribe and that it can satisfy the criteria in § 83.7 may submit a letter of intent.

(b) Letters of intent requesting acknowledgment that an Indian group exists as an Indian tribe shall be filed with the Assistant Secretary—Indian Affairs, Department of the Interior, 1849 C Street, NW., Washington, DC 20240. Attention: Branch of Acknowledgment and Research, Mail Stop 2611-MIB. A letter of intent may be filed in advance of, or at the same time as, a group's documented petition.

(c) A letter of intent must be produced, dated and signed by the governing body of an Indian group and submitted to the Assistant Secretary.

§ 83.5 Duties of the Department.

(a) The Department shall publish in the FEDERAL REGISTER, no less frequently than every three years, a list of all Indian tribes entitled to receive services from the Bureau by virtue of their status as Indian tribes. The list may be published more frequently, if the Assistant Secretary deems it necessary.

(b) The Assistant Secretary shall make available revised and expanded guidelines for the preparation of documented petitions by September 23, 1994. These guidelines will include an explanation of the criteria and other provisions of the regulations, a discussion of the types of evidence which may be used to demonstrate particular criteria or other provisions of the regulations, and general suggestions and guidelines on how and where to conduct research. The guidelines may be supplemented or updated as necessary. The Department's example of a documented petition format, while preferable, shall not preclude the use of any other format.

(c) The Department shall, upon request, provide petitioners with suggestions and advice regarding preparation of the documented petition. The Department shall not be responsible for
